

Our 10th Change a Life Cycle Tour is heading to the playground of the international rich and famous, the place that inspired Chopin and Miro with its crystal blue seas, palm-lined beaches and multi-cultural history. Cycle with Change a Life in Majorca, the largest of the Spanish islands in the Balearic archipelago, experience the Sa Calobra mountain climb, feared even by visiting pro teams. Olé!

The 2017 Change a Life Cycle Team
